**DECISION**

The National Labor Relations Board has considered an objection to an election held March 23, 2012, and the Regional Director's supplemental report recommending disposition of it. The election was conducted pursuant to a Stipulated Election Agreement. The tally of ballots shows 57 ballots cast for and 58 ballots cast against the Petitioner, with 1 challenged ballot, an insufficient number to affect the results.

No exceptions have been filed to the Regional Director's supplemental report within the time provided. Accordingly, the Board adopts the Regional Director's findings and recommendations.

Dated, Washington, D.C., August 17, 2012.
